

# Costlo Birthday Gifts

Buddy spent his birthday in physical isolation, but he wasn't alone in spirit. Figure out which gift each relative chose for him at Costlo.

A grid for solving is on the next page. Clues:

- 1) Buddy's wife gave him Workland beer.
- 2) Jess is a male. Either Buddy's son is Jess and he gave him Costlo brand toilet paper, or his son is Jeremy and he gave him a Costlo cheese wheel.
- 3) Hilary is Buddy's sister.
- 4) Either Buddy's daughter is Marcie and she gave him Fancypants hand sanitizer, or his daughter is Becky and she gave him Fancypants cookies.
- 5) If the imported gift was given by a man, then it's the cheese wheel. Otherwise the imported item was given by a woman, and it's sanitizer.
- 6) Buddy's brother gave him the organic gift, which isn't toilet paper.
